

Product Specification Sheet

Product Name:

PASCO Vinyl Shower Pan Liner

Manufacturer:

PASCO Specialty & Mfg., Inc.

Product Usage:

PASCO Vinyl Shower Pan Liner is a flexible sheet used without bedding mastic or coating for construction of concealed water-containment barriers.

Listed by the model building code of IAPMO, **PASCO Vinyl Shower Pan Liner** may be used for safe pans, ceramic tile tub and shower stalls, indoor swimming pools, steam rooms, fountains and planters in place of copper sheet, hot mop and lead sheet waterproofing methods.

May be solvent welded to cover large areas. Note: Only **PASCO Vinyl Shower Pan Liner Solvent Cement #3008** may be used to solvent weld **PASCO Vinyl Shower Pan Liner**.

Limitations:

PASCO Vinyl Shower Pan Liner is to be concealed from sunlight when protection from water damage and long-term reliability is essential. This material cannot be exposed to outdoor elements.

Product Description:

Color: Red Thickness: 40 Mil

Color: Black Thickness: 30 Mil

Finish: Smooth Texture

Widths: Available in 48", 60", and 72" widths.

Lengths: Rolls come in lengths of 80 ft & 40 ft.

Markings: All **PASCO Vinyl Shower Pan Liner** is continuously marked with manufacturer's name, address, thickness, part number. Marked with IAPMO Listing # 2308 and ASTM D4551.

Technical Data:

PASCO Vinyl Shower Pan Liner is a flexible poly vinyl chloride sheet made of a virgin PVC resin containing no regrind material with an inherent viscosity of not less than 0.92 and a PVC compound density of between 1.26 g/cc and 1.29 g/cc.

Special Qualities:

- Requires no maintenance.
- Dramatic low temperature flexibility for easy installation in cold weather.
- Immune to mildew, fungus and bacterial degradation.
- Smooth surface to prevent snagging on metal lath.
- Lines every 6" for quick measurement.
- Easy to fold.
- Requires no special tools for installation.

Code Listings:

- IAPMO File #2308
- Copies of all code listings available upon request.
- Approved by many cities, counties and states including the City of Los Angeles (#RR4703).

Test Standard:

- Conforms to ASTM D4551 Test Standard.
- Meets FHA 1/30/63 test to determine suitability of materials for use as a shower pan.

Guarantee:

PASCO Vinyl Shower Pan Liner is guaranteed by **PASCO Specialty & Mfg., Inc.** against failure caused by rot, rust, cracks, electrolysis and microorganism deterioration in un-exposed installations if installed according to **PASCO Installation Instructions**.

This warranty is limited to replacement of the material and freight charges to destination only. There are no other express or implied warranties and this warranty is in lieu of any other warranty. **PASCO** is not responsible for consequential damages. The remedy of the purchaser set forth herein is exclusive.
